

ELITE SOFTBALL ACADEMY

At The Massachusetts Institute of Technology

These clinics are intended for high-level softball players with aspirations to play at the collegiate level. Each clinic date will include hitting instruction with personalized video analysis and feedback, position specific defensive work, game-like scrimmages, information session on the college recruiting process, and a Q & A with members of the current MIT softball team.

Additionally, athletes who attend will receive lunch and a clinic t-shirt.

ESA FALL 2018 CLINIC

Massachusetts Institute of Technology
Briggs Field
250 Vassar St. Cambridge, MA 02139

- October 13th, 2018
- 9am-5pm
